AN OPEN LETTER TO OUR MEMBERS:-

Some four years ago, the past Board of Trustees took down the surveillance system we had in the building. The cameras are on a shelf in a back office. Since that time more than \$6,800.00 of your money and equipment has been stolen.

Three months ago, I asked the members, at a large meeting, if they would like a new system installed. 100% of them said YES. Robert offered to help with his expertise in the field. At the February 13th meeting, I made a motion for the lowest of three bids, but was told, it was out of order for the members to decide, but, once again had to be referred to the Board of Trustees. I am now aware that is the way it must be addressed.

Since we presently, do not have control of our fraternity, or have a clear charter, there is still something, as members, that you can do. Remember, you still are a member and in the dearest principal of the Eagles, "EQUALITY", have every right to voice your opinion on this to one or more of you eight elected officers or trustees.

Please help us get a new surveillance system before more of your money is stolen.

Sincerely,

Jacob J. Kellas

It's March, and although I am feeling much stronger in myself, I still have to wait for my next appointment with the doctor. Only another couple of weeks and I should have an update for you all. Our officers have been working extremely hard for you, and I appreciate all they have done. We have more people volunteering, which is great for the club. Don't forget to check out the newsletter for our upcoming events. Hopefully I will be able to attend them.

**Your Worthy President
Len Slade**

Aerie, Auxiliary and Eagle Riders

February has been extremely busy with getting everyone to renew their membership on time. Part of the effort was the heroic work of our Secretary, Gene Wallace and his Assistant, Harriet Wallace, our very big thanks to them. Also thanks to the volunteers on the front and back doors checking everyone's card.

They are Tony Cario, Gayle Schmatz, Kevin Cameron, Dave Scroll, Bob Svehia, Joe Keefe, Loraine Bach, George Bach, Betty Martinez, Lou Martinez, Michelle Brock, Harriet Wallace, Charles Keefe, Joanne Jorae, Bob Long, Marty Mazzuco, and James Dauphin.

I would like to thank Dave Bartz for taking on the Super Bowl function at the last minute. This Aerie can't function without our volunteers. I am leaving the calendar up for March, so if anyone is interested in helping on the doors, just sign up. Thanks to you all for your help and support.

10 Year Memorial

Last month I wrote wouldn't it be really grand to have a 10 year memorial board in addition to the regular memorial service in June of 2013? A board with photos of our friends and fellow Eagles who have passed away in the last 10 years.

I have placed photos of Eagles I am not sure about in a book behind the bar. Members can ask any bartender to see the book and if you know of someone who has passed just circle the photo with the marking pen.

The secretaries will try to provide all the names from their computer files. I will provide all 40-50 photos that I have for the board, however, it may not include many not in my archive or some who I do not know if they're still with us or not. So I'm asking members for help in identification and also asking members who may have a photo or two of departed spouses, friends, relatives, etc., to put the photos in Ana's newsletter box to be included on the board. Mark it 10 year memorial. If the photo is electronic, email it to me at desktopvideo@tampabay.rr.com.

Only with your help can this program succeed.
Thank You. Geno
